ISBN: 978-90-9022380-3

## Invitation

You are invited to the public defense of my thesis titled:

**Chemical Activity of Anticancer Compounds:**

Computational studies on the mechanism of bleomycin and the recognition of flavonoids

on Wednesday,  
31 October 2007  
at 15:00 h in the  
Lokhorstkerk,  
Pieterskerkstraat 1,  
Leiden

The time for parking should be taken into consideration due to less possibilities near the Lokhorstkerk.
